## Benefits of Membership

**Networking.** Communicating with other business professionals in Logan County. We will offer monthly meetings specifically for networking.

**Special Events.** These will happen quarterly and we will have these events focused on business education. These events will also be at different locations each quarter so we can all see what Logan County has to offer.

**Annual Community Event.** This allows our group to come together to support the community that we call home and that supports our families and well being. We think it is important to know your neighbors and create a community culture.

**Connections.** We will also create an address book of our members. This will allow exclusive and accessible connections amongst our members.

## EVENT RECAP

**MARCH 18: Purses for A Purpose**  
Purses for a Purpose was a successful event hosted at the Lincoln Banquet Center in Lincoln, IL. The evening had an overall goal to raise funds for the Lincoln/Logan Food Pantry as well as collect nonperishable items to deliver to surrounding food pantries.

We have the delight to announce that \$5000 was raised and delivered to the Lincoln/Logan Food Pantry on March 28, 2023. We also collected a large amount of nonperishable items that have been distributed as well.

Thank you Logan County for the support and we are thrilled for this annual event and bringing the community together.

Thank you again to all who donated. Click [HERE](#) for a full list.
